EMBELLISHMENTS

THERMO

Thermo is a method for adding letters and numbers to garments and accessories.

EMBROIDERY

Embroidery is a method of adding small logos and text to garments and accessories. Coloured thread is stitched through the fabric. Recommended for school crests and individual names.

APPLIQUE

Sewn on letters and numbers offer a unique textured look at garments.

SCREEN PRINT

Screen printing is useful for adding logos and simple graphics to garments and accessories.

Ink is printed onto fabric, setup fees apply, maximum of seven colours.

ARTWORK EXAMPLES

Make these designs your own by adding your school name.

When ordering, reference one of these artworks or provide your own concept.
